EXPERIENCE

Interactive Designer | iCIMS

June 2015 - Present Day

At iCIMS I lead the creative for our internal events as well as the design strategies for our Product Marketing team. I collaborate with a team of designers to create design work for digital and print. I have experience with some video editing, storyboarding, photo editing, photography, and html/css.

Freelance Design and Painting

May 2016 - Present Day

I have experience freelancing with small groups and individuals. I have created designs for Garden State Track club, made mockups for start ups, and worked on designing presentation for individuals. Also, from having an illustration background I paint for comission.

Lab Technician

September 2014 - September 2015

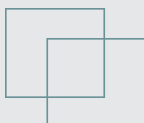

Worked in the photography printing lab. Managed the printers and computers for graduate students.

EDUCATION

Bachelor of Arts | Pratt Insitute
